

BUYER'S GUIDE

Decide what you are looking for in a home

There are many decisions to make when buying your home. It helps to have a clear idea of what you're looking for before you set out on a search for it. For example, you need to consider what type of home and location you're interested in. Prioritise the following items in terms of importance using a scale of 1-5:

Priority

Price Range

\$ - \$

Location(s):

Number of Bedrooms:

Garaging:

Section Size:

sq.m.

View:

Type of Property: (eg. villa, townhouse)

Proximity to Schools:

Proximity to Shops/Bus Stops:

Special Needs:

List Other Priorities:
